Helmets are compulsory at all times whilst riding at The Front. It is strongly advised that riders also wear suitable protective gear such as knee and elbow pads, wrist guards and mouth guards.

Only equipment deemed safe to ride by staff will be permitted to use at the skatepark.

You must be aged 6+ to ride at The Front Skatepark. Those aged under 10 require a parent or guardian to remain within the skatepark at all times.

All staff at The Front Skatepark are first aid trained. Please make them aware of any pre-existing conditions that may affect any medical treatment given.

I understand that a lot of riders also use photography or film during their time in the skatepark. I understand that The Front Skatepark often uses footage or photos taken during sessions and events for social media and promotion. I realise that I may appear in this content at times and give my permission for The Front Skatepark to use any general footage I may be present in.

I understand that extreme sports are hazardous and I agree to wear my helmet at all times whilst visiting The Front Skatepark. I understand that refusal to do so may result in refused entry or removal from the skatepark.

I have declared any existing injuries and medical conditions to The Front Skatepark. I give permission for medical assistance to be administered by staff (and/or paramedics) in the case of an accident or and emergency.

I understand that this is an extreme sports facility. I am aware of the risks involved in skating and riding and I engage in these activities at my own risk. I will not hold The Front Skatepark or it's employees responsible for any accident, damage or loss whilst at the park.

I understand that my consent is given for 12 months from the initial date of completion, or until I (or the parent/guardian) give notice to withdraw consent in writing to The Front Skatepark.
