Helmets are compulsory at all times, for all riders of all ages. It is strongly advised that riders also wear suitable protective gear such as knee and elbow pads, wrist guards and mouth guards.

You are responsible for checking your riding equipment is safe, helmets are fitted correctly and that bar ends are fitted.

You must be aged 6+ to ride at The Front Skatepark. Those aged under 10 require a parent or guardian to remain within the park at all times and they must remain within the spectator area.

All staff at The Front Skatepark are first aid trained. Please make them aware of any pre-existing conditions that may affect any medical treatment given.

I understand that a lot of riders also use photography or film during their time in the skatepark. I understand that The Front Skatepark often uses footage or photos taken during sessions and events for social media and promotion. I realise that I may appear in this content at times and give my permission for The Front Skatepark to use any general footage I may be present in.

I understand and accept that extreme sports are hazardous and the risks involved may result in serious injury and/or potentially death.

I have declared any existing injuries and medical conditions to The Front Skatepark. I give permission for medical assistance to be administered by staff (and/or paramedics) in the case of an accident or and emergency.

I understand that this is an extreme sports facility. I am aware of the risks involved in skating and riding and I engage in these activities at my own risk. I will not hold The Front Skatepark or it's employees responsible for any accident, damage or loss whilst at the park. I agree to ride within my own capabilities and to be respectful of other riders.

I understand that my consent is given from the initial date of completion until I (or the parent/guardian) give notice to withdraw consent in writing to The Front Skatepark.
